Best choice for a couple who is looking for a budget yacht. Easy to sail, even single handed in case your crew is lazy ;-) The Aloa 27DS is a smooth sailing, seaworthy saloon yacht. Ideal for small crews and less experienced sailors.

Sails: Total 37 square meter sail, divided into an easy to reef mainsail and a furling genoa.

In the front is a double cabin. In the saloon sleeping space for another two adults and a child. The double bed in the forecabin is longer (2.20 m) than on many a larger yacht. The starboard bed in the saloon is convertible to a small double. On the portside there is another bed, just for a child.

The yacht sleeps 5, but we advise not more than 4 persons and not more than 3 adults.

The yacht is not new, but well maintained and equipped:

Galley, kitchen equipment, electric fridge, shore electricity, depth meter, log, radio, separate toilet with basin, compass, VHF, GPS, CD player, complete set of safety equipment, autopilot, 18 HP diesel motor, bimini sunshade, cockpit table, swimming steps, electric anchor windlass, solar panels, cockpit shower and dinghy. Everything is included.

It is possible to rent this yacht skippered or bareboat or to join our flotilla.

The yacht is owned and maintained by our own professional yachtcharter company with more than 25 years of experience in the Ionian.

The prices are for weekly charters and include VAT, bed linen and towels.

Outboard engine on request (75 euro per week)
